

● ABOUT ME

I'm an experienced application developer who constantly seeks out innovative solutions to everyday problems. In my 2+ years in this industry, I've honed my analytical thinking and collaboration skills, and I love working with a team.

● WORK EXPERIENCES

○ TOPSOL, PAKISTAN – MERN STACK

Sep 2021 - Present

- **React Development:** Collaborative with other development team to build and maintain high-quality, responsive web applications using React.js.
- **Mobile App Development:** Work on mobile app development using React Native, ensuring a seamless user experience across various platforms.
- **Next.js Expertise:** Utilize Next.js to develop efficient server- rendered React applications, optimizing performance and SEO.
- **Gatsby Mastery:** Create blazing-fast, content-driven websites with Gatsby.js, leveraging its capabilities to build exceptional user interfaces.
- **TypeScript Integration:** Implement TypeScript to enhance code quality, maintainability, and developer productivity in our projects.
- **Collaborative Approach:** Collaborated effectively with cross-functional teams, including designers, backend developers, and product managers, to deliver outstanding user experiences.
- **Professional Growth:** Committed to continuous personal and professional growth, seeking opportunities to expand your skill set and contribute to the team's success.
